Prompt 1

What was your "How do you sell an app?" moment: an ordinary question that quietly changed your direction?

[Space for writing]

Prompt 2

What tools have you been building "for others" that might also be building you?

[Space for writing]

Prompt 3

Do you carry hope in a pocket, afraid there isn't enough to share? What would change if you believed you'd been given the whole pot?

[Space for writing]

Prompt 4

Is there someone in your life right now who simply needs to hear "I've been there too"?

[Space for writing]

Prompt 5

What would your life's work look like if "one person not feeling alone" was the measure of success?

[Space for writing]

Bonus: Your Origin Map

Trace the unexpected path that led you to something meaningful:

Step	Your Journey
The ordinary moment/question	
What I thought it would become	
What it actually became	
What I was really building all along
