## Letter Before You Leave

**Episode:** E012 — The Strength of Starting Over

---

Hey, love.

I know you might be standing at an edge right now. Maybe you're looking down and you can't see the ground. Maybe everyone around you thinks you're crazy. Maybe YOU think you're crazy.

Let me tell you what I know after 25 years on the other side of that cliff:

You're not crazy. You're not reckless. You're choosing integrity over comfort. And that's one of the bravest, most terrifying, most worthwhile things a person can do.

You won't have a plan. You won't feel ready. The excitement will last about five minutes and then the bills will arrive. But here's what I promise you: every step forward reveals the next one. Not the whole staircase. Just the next step.

And that's enough.

Bet on yourself, friend. The odds are better than you think.

Keep brewing.
