E005 Letter Before You Leave

Episode: Without a Map, Any Road Will Do

From: The Brewmaster’s desk

The Letter

Before you leave today, I want you to know something Old Man Winter taught me that took years to sink in.

Having a map doesn’t mean you’ll never get lost. It means you’ll notice sooner when you are.

I’ve walked wrong roads. I’ve stayed on paths that stopped serving me long before I admitted it. I’ve pushed against walls that were never going to move.

But I’ve also redrawn the map. Many times. And every time I did, it wasn’t giving up. It was growing up.

If you’re standing at a fork today, or staring at a roadblock, or just feeling the bumps pile up... remember the question: Am I facing a bump, or am I facing a roadblock?

The answer changes everything.

Keep brewing.
