Letter Before You Leave

Episode: E014 — Why CHIA-TEA Had to Exist

Dear Friend,

Before you leave today, I want you to carry this:

You don't need to be polished to be helpful.

You don't need to be the biggest to matter.

You don't need a business plan to begin.

CHIA-TEA exists because of a Google search. Not a vision board. Not a five-year plan. Not a divine calling. A question typed into a search bar on an ordinary day.

If I had waited until I felt ready, until the apps were perfect, until the timing was ideal, until I was sure it would work... this podcast would never have existed. And maybe one person who needed to hear "you're not alone" would still be sitting in silence.

So whatever question is living in you today, even if it seems small or practical or unremarkable, follow it. You have no idea where it leads.

I am not alone.

And neither are you.

Keep brewing.
